

Principles of Cyber Security Certificate Level 2

Course Name	Start Date	End Date	Site	Total Fees
Principles of Cyber Security Certificate Level 2			None	

Course Overview

The purpose of the Level 2 Certificate in Cyber Security is to provide learners with sector awareness. It will do this by introducing the knowledge and understanding in roles and issues relating to Cyber Security. The secondary purpose is to act as a stepping stone that will lead learners into studying Cyber Security at a higher level. The target learner for this qualification will be an individual looking to gain a greater understanding or build upon their existing knowledge of Cyber Security issues. This will likely be with a view to studying the subject at a higher level and/or seeking employment in a Cyber Security related role.

What Qualifications Or Experience Do I Need?

There are no previous entry requirements for this qualification. As this is a Distance Learning programme, you must be able to commit some spare time to work on your assessments in between your tutorials.
