

Apprenticeship Standard Furniture - Furniture Manufacturer - Level 2

Course Overview

This apprenticeship is designed to give a wide range of skills appropriate to the different occupations in the industry. This apprenticeship covers the following occupational areas: General Furniture Manufacturer, Bed Manufacturer, Modern Upholsterer, Furniture Finisher, Fitted Furniture Installer, Furniture Restorer, Modern Furniture Service Repairer, Foam Converter and Upholstery Cushion Interior Manufacturer, Wood Machinist, Furniture CNC Specialist. The Furniture, Furnishings and Interiors industry is of significant importance to the UK economy, particularly in the supply of end products for residential and commercial living and work places. The ability to work to agreed targets in terms of output and quality standards is essential. Workplaces can be wide - ranging from small workshops to large factories. Furniture Manufacturers must be dexterous, have a good work ethic and able to demonstrate their ability to work individually and as part of a team.

What Qualifications Or Experience Do I Need?

There are no formal qualifications required; however, Grade C or above in English and Maths would be advantageous. Any previous experience in the construction industry would also be an advantage.

How Long Is The Course?

24 months.

What Will I Learn?

You will learn how to complete Carpentry and Joinery tasks as well as some basic plumbing to allow you to fit kitchens.

How Will I Learn?

You will attend college and attend your workplace for the remainder of the time. The college sessions will be a mixture of classroom and workshop delivery alongside excellent guidance and support to enable you to be ready for your End-Point-Assessment.

How Will I Be Assessed?

Assessment will take place when your Assessor/Trainer visits your workplace. They will help you identify suitable work evidence to collect, observe your performance, give guidance when writing personal statements, carry out professional discussions and give you feedback on how you have met the learning outcomes and evidence requirements. At each visit, the Assessor/Trainer will agree and record an action plan with you and provide you with written feedback.

Where Could This Course Lead To?

The progression for this programme is on to a Level 3 trade-specific route or an Apprenticeship Standard in Construction and the Built Environment.
