

Dementia Care Certificate Level 2

Course Name	Start Date	End Date	Site	Total Fees
Dementia Care Principles Certificate Level 2			None	

Course Overview

This qualification aims to provide learners with an understanding of dementia, the functioning of the brain and the memory process whilst encouraging learners to use a person-centred approach in order to understand emotions and behaviours they may find challenging. It will also promote the application of person-centred principles to everyday care activities.

What Qualifications Or Experience Do I Need?

There are no previous entry requirements for this qualification. As this is a Distance Learning programme, you must be able to commit some spare time to work on your assessments in between your tutorials.

How Long Is The Course?

12 weeks

What Will I Learn?

The qualification consists of four mandatory units: Unit 01 - Understanding Dementia, Unit 02 - Understanding Person-Centred Dementia Care, Unit 03 - Understanding 'Challenging' Behaviour in the Context of Dementia, Unit 04 - Applying a Person-Centred Approach to Dementia Care.

How Will I Learn?

By reading course material and answering workbooks either paper based or on line.

How Will I Be Assessed?

Internally assessed and externally moderated portfolio.

Where Could This Course Lead To?

To working in health and social care or with individuals diagnosed with dementia.
