

Common Health Conditions Certificate Level 2

Course Name	Start Date	End Date	Site	Total Fees
Common Health Conditions Certificate Level 2			None	

Course Overview

This 12 week short course is designed to provide you with the techniques, support and understanding that are required for working with common health conditions.

What Qualifications Or Experience Do I Need?

There are no previous entry requirements for this qualification. As this is a Distance Learning programme, you must be able to commit some spare time to work on your assessments inbetween your tutorials.

How Long Is The Course?

12 weeks.

What Will I Learn?

The care required by individuals who have the following conditions: Sensory Loss, Dementia, Arthritis, Parkinson's Disease and following a Stroke

How Will I Learn?

Upon enrolment, your tutor will provide you with a resource pack which will contain three workbooks with a corresponding end of unit assessment booklet to complete. Your tutor will arrange a three-weekly tutorial session to give you support, advice and guidance on the course content and to provide feedback on the work you have completed. To be awarded the qualification, you need to successfully complete the three workbooks.

How Will I Be Assessed?

Your tutor will mark your completed end of unit assessment booklets which will then be verified by the awarding body. No examinations are required.

Where Could This Course Lead To?

You may wish to broaden your knowledge by completing other available short courses: Equality & Diversity, Mental Health Awareness, Principles of Dementia Care, Understanding the Safe Handling of Medicines, Principles of End of Life Care.
