

Principles of Care Planning Certificate Level 2

Course Name	Start Date	End Date	Site	Total Fees
Principles of Care Planning Certificate Level 2			None	

Course Overview

Care workers play a key role in ensuring their residents/patients are treated with a friendly and caring approach. Care workers have the ability to relate to people from a variety of backgrounds. After an investigation from the Care Quality Commission revealed that 424 out of 1,357 services in England are rated 'inadequate', the need for high-quality trained care workers has never been greater.

What Qualifications Or Experience Do I Need?

There are no previous entry requirements for this qualification. As this is a Distance Learning programme, you must be able to commit some spare time to work on your assessments in between your tutorials.
