

Understanding Personal Care Needs Certificate Level 2

Course Name	Start Date	End Date	Site	Total Fees
Understanding Personal Care Needs Certificate Level 2			None	

Course Overview

As we see an increasingly ageing population, the number of adults needing around-the-clock care is on the rise. As well as the need for medical care, there is also a need for high levels of personal care to allow those who need support to live as comfortably as possible. This qualification focuses on developing a person-centred approach to delivering high levels of personal care. Benefits - Achieve a nationally recognised Level 2 qualification - Further your personal and professional development - Learn at a time that suits you without the need to attend college - Improve quality of life for those who need care

What Qualifications Or Experience Do I Need?

There are no previous entry requirements for this qualification. As this is a Distance Learning programme, you must be able to commit some spare time to work on your assessments in between your tutorials.
